TOWN WARRANT**THE STATE OF NEW HAMPSHIRE**

*To the Inhabitants of the Town of Henniker, in the County
of Merrimack in said State, qualified to vote in Town
Affairs.*

[L. S.]

You are hereby notified to meet at the Town's Meeting House, in said Henniker, on Tuesday, the tenth day of March next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriation for the same.
3. To hear and act upon the reports of Town Officers, Library Trustee, Trustees of Trust Funds and committees.
4. To see what sum of money the town will vote to raise to repair highways and bridges.
5. To see what sum of money the town will vote to raise for maintenance of its State aid and Trunk Line Roads.
6. To see what sum of money the town will vote to raise and appropriate for permanent improvement of Contoocook Valley Trunk Line, Chapter 93, Laws 1915.
7. To see if the town will vote to accept the provision of Chapter 117, Laws 1917, on a section of the Contoocook Valley Road so called and appropriate, or set aside from the amount raised for highway work, the sum of \$350 for this purpose.
8. To see what sum of money the town will vote to raise for the maintenance of the Weare Road so called.
9. To see if the town will vote to oil the highway from a point near the Town Common, by way of the Steel Bridge to a point near Harry Corsers on Concord Road so called, raise money for the same or take any action relative thereto.

10. To see if the town will vote to raise the sum of \$500.00 for support of Public Health Nursing Association or take any action relative thereto.

11. To see what sum of money the town will vote to raise and appropriate to defray the expenses of observing Memorial Day.

12. To see what sum of money the town will vote to raise in addition to that required by law for the support of the Tucker Free Library.

13. To see what sum of money the town will vote to raise for the maintenance of the Fire Department.

14. To see what sum of money the town will vote to raise and appropriate for the purpose of defraying the cost and expense during the ensuing year of providing and maintaining hydrant service for the extinguishment of fires.

15. To see how much money the town will vote to raise for repairing and building sidewalks.

16. To see what sum of money the town will vote to raise for payment of street lights for the ensuing year and pass any vote relative thereto.

17. To see if the town will vote to authorize the Selectmen to reinsure the Town Hall and Engine House, raise money for same, or take any action relative thereto.

18. To see what action the town will take to prevent the spread of White Pine Blister, raise money for same or take any action relative thereto.

Given under our hands and seal this twenty-first day of February, in the year of our Lord nineteen hundred and twenty-five.

REPORT OF HEALTH OFFICER

I herewith submit my report for the year ending Jan. 31, 1925.

Contagious diseases reported: five cases of Whooping cough, one case of Mumps, and one case of Cerebro Spinal Meningitis, which proved fatal. We were fortunate in having no cases of Scarlet fever, and I think much credit is due the School Officials and Public Health Nurse, for their watchful care over the school children.

Four samples of Cogswell Spring water were sent to the State Laboratory, and were reported good.

There were few complaints of unsanitary conditions, and they were quickly made right.

Just a word about vaccination. At the end of the school year, 1924 there were 46 scholars who had not been vaccinated, or found to be unfit. At the beginning of this school year I found the number as follows: Brick school, none; West Henniker, four; Westboro Corner, four; Quaker street, two; Center School, four; Hemlock Corner,

thirteen; total twenty-seven. Before another school year begins please attend to this matter, as the law requires every child attending school to be vaccinated, unless declared unfit by a physician.

WILLIAM H. BEAN,
Jan. 31, 1925. *Health Officer.*

The books presented to the Library from the late Edna Dean Proctor estate is a very valuable collection, including books of travel, biography, poetry, etc. Many of these are autographed with the name of the giver in her own handwriting. The real value of this gift cannot at present be estimated.

Miss Hobart, Secretary of the State Library Commission is to help classify and catalog them and they will be ready for circulation as soon as possible.

On the 10th of July, 1924, the Neighborhood Library Association met at Tucker Free Library for an all day session. This Association consists of the Librarians and Trustees of seventeen of the surrounding towns. About thirty assembled. Lunch was served in Azalea Park by the local people.

Miss Pray, Librarian of the State Library at Concord, N. H., and Miss Hobart of the State Library Commission together with Mr. H. B. Preston were the principal speakers.

Children's Day was observed in November with the same success as of last year.

We have endeavored to do our best in the selection of books with the limited funds at our disposal. We feel sure that a little serious thought on the part of the tax-payers and voters would convince them that a few hundred dollars or even two hundred in addition to that required by law would be money well invested in the satisfaction of having the best books when they are first published and not wait for the re-prints to save the first price.

We thank you all for the many gifts, helps and suggestions, we appreciate every effort made to help us and enable us to make the Library . . . of the most use to the public.

(Signed)

FANNIE W. BENNETT,
Librarian.
ABBIE R. FLANDERS,
Assistant Librarian.
MRS. MARION GARLAND,
Assistant Librarian.

COGSWELL SPRING WATER WORKS

The Board of Water Commissioners herewith submit their eleventh annual report.

During the past year two new service connections have been made to the main pipe line. The usual needed repairs, both at the pumping station, at the several springs and reservoir, have been made. As has been the practice in past years several samples of water were sent to the state chemist for analysis. Reports from each sample was "Excellent."

August 1, 1924 a \$5,000., four per cent Town of Henniker Water Bond matured. According to a vote passed at the annual town meeting held in March, 1920, this issue was paid by the town from the principal of the D. Warren and Eliza L. Cogswell Fund. As further provided in said vote the Selectmen on August 1, 1924, issued a promissory note countersigned by the Town Treasurer for \$5,000., payable to the Trustees of Town Trust Funds, bearing interest at 4½ per cent. Income from the sale of water to be applied in paying interest on this note.

SUPERINTENDENT'S REPORT

I herewith submit my third annual report. The school year ending June 30, 1924 was much below the average in attendance and general achievement. This was caused by an epidemic of measles during the fall months and an unusual amount of sickness continuing to the opening of the Spring term. Under these trying circumstances, we were fortunate indeed in having a corps of well trained, experienced teachers who were able to accomplish results that, at one time, seemed impossible.

The current year thus far has been exceptional, because of the excellent record attained in all phases of school work. We have therefore been able to overcome the handicap of the preceeding year, and are now further advanced than usual at this time of year.

Two of the rural schools "Hemlock Corner" and "The Brick" are over crowded having an enrollment of 17 and 23 respectively, 14 and 16 are about all these buildings ought to accommodate. If no more families move into these districts the problem will solve itself in a short time. The enrollment at West Henniker is below average, only 21 this year. Westboro Corner numbers 7 which is about the average. Quaker Street is smaller than it has been for some time. At present the number has dwindled to 4. Unless there is a considerable increase before next September, it will not pay to open the school.

The total enrollment for the town is larger by 12 than that of the year closing June 30, 1924.

All of the rural school buildings are now well equipped with good heaters and sanitary appliances which compare favorably with the best in the state. It is gratifying to note that all these improvements have been brought about gradually in the regular course of events, and without asking the taxpayers for extraordinary sums for repairs and alterations.

The High School was fortunately not affected, to any extent, by the epidemic mentioned above, and was able to reach the usual standard in all departments and exceed them in some, especially Latin.

I wish to call attention to the fact that the High School enrollment, under the efficient leadership of our Headmaster and his loyal assistants, is at present double that of four years ago. The number this year being 55. The Junior High number 39, making a total of 94 who daily come under the influence of the High School life and training. The total number enrolled in the Central School is 193.

Graduates of the Henniker High School are now attending with marked success, Oberlin College, Colby College and New Hampshire University, others are preparing for the teaching profession at the Keene Normal School.

We are now in the second year of the reorganized High School and are able to measure results as compared with the former organization, and also with other High Schools in the state, and see that a great step forward has been taken. While the total and per capita cost is a little greater, the results are out of all proportion to the increased expense.

I recommend that the Central School building be painted and that new front steps be put in before the opening of another school year. Minor additional repairs on the interior will make the building first class in every respect.

Repairs provided for at the last annual meeting have made the school hall comparatively safe for basketball, however, the general problem of properly providing for student sports and physical activities is as great as it was before. I, therefore, earnestly recommend that the committee appointed at the last school meeting, carefully consider the matter and make a comprehensive report that can be acted upon at the next annual meeting.

In closing I wish to express appreciation of the excellent support and sympathetic cooperation of parents, teachers and all concerned in the work of education in Henniker.

Respectfully submitted,
GAIUS H. BARRETT,
Superintendent
